LOGISTICS · TRANSIT · INFRASTRUCTURE

## ABOUT THE EXHIBITION

**The XVII TRANSTEC International Forum-Exhibition** is the largest forum-exhibition in St. Petersburg dedicated to the development of transport corridors, logistics, transit and infrastructure.

**TRANSTEC** is an effective platform for direct dialogue between specialists of the transport and logistics industry and representatives of federal government authorities.

**Co-organizer** - ANO Directorate of International Transport Corridors (founder - Ministry of Transport of the Russian Federation).

The event has been held since 1994, following the results of 2021, more than 600 invited guests representing 400 companies and organizations took part in the Forum-exhibition from Russia and foreign countries.

November 29 - December 1
